

Earlville Early Learning Centre

Learning through play.

Friday 24 September 2009

To whom it may concern,

Our centre is a small 40 place boutique centre with age ranges from 15 months to 6 years. We are a combined group and run a free flow program (indoor/outdoor).

We usually are unable to get performances into our centre due to the cost; most require a minimum amount of children or charge a large bulk amount, making it too costly for the parents. Kathy Possum had no minimum amount of children, and charged per child, so was perfectly suited to the centre.

While she was here, the show provided for all of our children, especially considering we have a very multicultural centre, also catering for all ages, by getting them all involved.

Thankyou Kathy Possum for an amazing show!
